Appraisal Report (Excerpt)

Calder Works | Effective date June 20, 2023 | Blue Ridge Valuation

1. Intended user: First Piedmont Bank, for construction loan underwriting.

Improvements

1. We have valued the property on a prospective basis assuming completion of the improvements described in the sponsor's preliminary plans dated February 2023, which contemplate 134 units of rental housing distributed among the three structures; we were advised that historic review was then pending and that the program could change.

2. Gross building area, all three structures, as measured from the sponsor's drawings and verified by field measurement: 214,600 square feet.
