Investor Summary Memo

Ashby Mill Lofts | October 1, 2025 | Riverside Heritage Development LLC

1. Ashby Mill Lofts restores a 1912 cotton mill as a vibrant mixed-use community at the heart of Danville's River District.
2. The project is fully funded, with all sources committed and construction complete.
3. Financing includes an $18.5M construction loan, federal historic tax credit equity, and Virginia credits sold at $0.85 per credit.
4. The cost certification shows approximately $24.6 million of qualified rehabilitation expenses, generating $4.9M in federal credits.
5. Leasing is ahead of plan, with strong demand for the loft units.

Approvals and credits

1. NPS approved the Part 2 application on 8/22/23.
2. The building is complete and residents occupy all floors.
3. The cost certification has been prepared by an independent CPA.
4. The investor has funded the first two equity installments.
5. Federal credits will be claimed on the 2024 return.
6. Virginia DHR has issued final certification for the state credits.
7. No sale or transfer of any part of the property is planned during the credit period.
8. As is standard, credits remain subject to recapture through July 2030.
